 - c. In all leagues: Due to rain making courts unplayable, if BOTH captains agree, any TCD approved covered or indoor courts may be substituted for that day’s play only. Both Captains must contact their Flight Coordinator immediately following match play so the schedule can reflect change in time and/or-location if applicable. 3. MATCH RESCHEDULE REPORT

5. EXCEPTION: All rained out matches must be completed prior to the specified deadline date for that season as stated on the TCD calendar.
6. Once a match is officially rescheduled and a Match Reschedule Report has been submitted, it cannot be changed unless it rains. A match played on an alternate date (a date not specified as an official match reschedule) may result in a DEFAULT PENALTY for BOTH TEAMS.
7. Incomplete matches will be continued by the same players at the exact place halted: set, game, point. Indicate such on the back of both score sheets to prevent controversy when resuming play.
8. In matches where lineups have been exchanged, but the match not begun, a NEW lineup may be exchanged for the rescheduled match. If a default has been issued, it is now voided. However, if a minimum of one court has served the first ball, the lineup is locked in and cannot be changed.
9. Teams may play these rescheduled matches by positions rather than as a whole team.
